

GURRAM RAMA NAGA SAI MANIKANTA

Computer Science & Engineering Student | Cyber Security

7013569521 | gurramsai2007@gmail.com

PROFESSIONAL SUMMARY

B.Tech Computer Science & Engineering student specializing in Cyber Security, with a strong academic record (8.91 CGPA) and a foundation in C, Python, and Java. Experienced in building full-stack and web-based applications, including location-based platforms and data-driven tools, with working knowledge of databases and version control. Motivated to contribute to software development and cybersecurity teams through practical, project-driven problem solving.

EDUCATION

B.Tech, Computer Science and Engineering (Cyber Security)

Expected 2026

SRM Institute of Science and Technology • CGPA: 8.91

Class XII

2024

BIEAP • 92.9%

Class X

2022

BSEAP • 93.5%

TECHNICAL SKILLS

Programming: C, Python, Java

Web Development: HTML, CSS, JavaScript

Database: MySQL

Developer Tools: Git, GitHub, VS Code

Operating System: Windows

PROJECTS

NearMe — Location-Based Discovery & Booking Platform

- Developed a full-stack web platform enabling users to discover and book hotels, movie tickets, events, restaurants, and other local services through a unified interface.
- Implemented location-based search, filtering, and booking management to help users find and reserve relevant nearby services efficiently.

Noise Pollution Monitoring System

HTML, CSS, JavaScript, MySQL

- Developed a web-based application to monitor and visualize noise pollution data using HTML, CSS, JavaScript, and MySQL.
- Designed the application to organize and present noise-related data through a structured, user-friendly interface backed by a MySQL database.

AI Study Assistant — AI-Powered Personalized Learning Platform

Python, NLP, Machine Learning, Flask/Streamlit

- Developed an AI-powered study platform that summarizes learning materials, generates practice questions, and provides personalized study assistance.
- Implemented AI-based performance analysis and exam-score prediction to help students identify weak areas and improve preparation.
- Designed a personalized study-plan system that recommends learning activities based on student performance and progress.

EXPERIENCE

Web Development Intern — 3Skill Training

2 Months

- Completed a project-based Web Development internship at 3Skill Training, applying practical, hands-on skills aligned with industry expectations.
- Built and contributed to web development projects as part of a structured, professional-development-focused training program.
- Certificate ID: ID-INTERN261683.

CERTIFICATIONS

- NPTEL – Programming in Java
- Community Connect Program
- Internship Completion Certificate – Web Development, 3Skill Training (2 Months)

LANGUAGES

English, Hindi, Telugu
